Bridge Builders 2025 Sponsorship Invitation

Breaking the Cycle. Building Futures.

Dear Friends,

Bridge Builders is one of Tampa Bay's premier philanthropic gatherings—a celebration of compassion and opportunity coming together to transform lives. We will unite for a shared purpose: to empower children and teens experiencing homelessness to rise above hardship and step boldly into futures filled with confidence, stability, and hope.

We are honored to serve as this year's chair couple and to welcome our keynote speaker, Dr. John C. Maxwell—a globally recognized leadership expert, bestselling author, and founder of Maxwell Leadership. His High Road Leadership principles remind us that true leadership begins with valuing every individual and harnessing the power of shared vision and collective impact—perfectly reflecting this year's theme: **Your Leadership Builds Theirs.**

Your sponsorship of Bridge Builders helps break the cycle of homelessness for an entire generation of children and teens. You're giving them the chance to build a new story—one filled with stability and opportunity. Because of you, doors will open to education, career paths, and life skills. Together, we will ensure that at-risk youth in Tampa Bay are empowered through our leadership and collective impact.

Please review the enclosed sponsorship opportunities and join us in building brighter futures—because together, we can make a lasting impact.

With hope and gratitude,

Chris and Lauren Schellman
Chair Couple
