INDEPENDENT AUDITORS' REPORT

The Board of Directors Metropolitan Ministries, Inc. and Affiliates

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively, the Ministries), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Metropolitan Ministries, Inc. and Affiliates as of June 30, 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Ministries' 2020 financial statements, and our report dated October 15, 2020, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statement of financial position and consolidating statement of activities and changes in net assets are presented for additional analysis and are not a required part of the consolidated financial statements. The schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; and Chapter 10.650, Rules of the Auditor General is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with Government Auditing Standards, we have also issued our report dated November 18, 2021, on our consideration of the Ministries' internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Ministries' internal control over financial reporting and compliance.

A description of the organization and a summary of the significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follow:

1. <u>Description of the Organization</u>

Metropolitan Ministries, Inc. is a community-supported, nonprofit organization founded in 1972 whose mission is to care for the homeless and those at risk of becoming homeless in the community, through services that alleviate suffering, promote dignity, and instill self-sufficiency as an expression of the ongoing ministry of Jesus Christ.

Metropolitan Ministries is a faith based social services organization caring for all those who come in need of assistance. Metropolitan Ministries provides answers for poor and homeless families, faithfully. This has been the cornerstone of the Ministries' approach since its founding. Over the past 49 years, as the number of homeless families and hungry people has increased, the Ministries has remained committed to reaching out and providing services that help prevent homelessness, ease hunger and offer homeless people life-changing solutions leading to self-sufficiency.

The Ministries offers three distinct programs:

Outreach and Prevention Services – The focus of this program is reaching out to hungry people and preventing homelessness. The Ministries reaches out to hungry people by providing prepared meals to partner organizations, located throughout the Tampa Bay area, where anyone who is hungry can be fed. Since October 2014 the Ministries has also prepared and served hot meals to hungry homeless at its newly-constructed kitchen at its Pasco County campus in Holiday, Florida.

For families and individuals who live in their own home, but are at risk of becoming homeless, the Ministries provides various services. These services include meals and clothing, holiday food, toys and spiritual assistance to over 86,450 families in need, utility and rent assistance, employment lab, and referrals to housing and other agencies to meet their additional needs. These prevention services have resulted in an 97% success rate to keep at risk families from becoming homeless in the next 12 months and are offered in a manner that respects every individual's God-given dignity and worth.

Outreach and prevention services program expenses totaled approximately \$15,516,000 for the year ended June 30, 2021.

In addition to the ongoing Outreach, Residential and Education programs, Metropolitan Ministries continues to respond to COVID-19 by providing support to our community in need as a result of the pandemic. The demand for non-perishable food boxes continued throughout FY21 and Metropolitan Ministries responded by providing boxed food to 70 community partners as well as direct distribution totaling over 80,000 food boxes distributed. Our prepared meal distribution through meal site partners pivoted again to offer a hybrid of warm meals delivered in cambros and bagged lunch meals 7 days a week totaling over \$40,000 community meals as of June 30, 2021. Additionally, the Ministries provided over \$1,600,000 in direct assistance for mortgage, rent, and utility payments. In this effort of response, front-line relief staff continued to engage without breaks in coverage to ensure the needs of the community were met. This effort continues as our community continues to feel the impact of the COVID pandemic. This engagement occurs with minimal direct contact, improved processes to gain efficiency and work remotely, increased use of technology, and spanning a five-county geographic reach.

The Ministries' operating funds are generated primarily from private contributions. The Ministries also receives government grants, which comprise approximately 19% of total public support and revenue. The Ministries also operates a thrift store, catering service, and a café to help fund its operations and comprise approximately 2% of total public support and revenue. The Inside-The-Box and DoughNation locations offer catering services and desserts to the public and are staffed primarily by former residents who have successfully completed the Ministries' Inside-The-Box Culinary Arts Program.

The ability of the Ministries to continue to provide services is dependent on the availability of funding and community support. The Ministries works to generate community funding for the Ministries' programs. This funding support consists primarily of cash and stock donations, and in-kind gifts such as food, clothing, and services.

Mid 2018, Metropolitan Ministries began a joint venture journey including the creation of two new entities, Metropolitan Ministries Developer, LLC and Metropolitan Ministries Broadway, LLC, with a developer to maximize tax credit benefits in the construction of a 112 unit affordable housing apartment complex in Seffner, Florida. The opening of Sabal Place took place in February 2021 with all 112 apartments leased and families moved in as of June 30, 2021.

2. <u>Principles of Consolidation</u>

The consolidated financial statements include the financial statements of Metropolitan Ministries, Inc., Metropolitan Ministries Foundation, Inc., MiraclePlace, Inc., MiraclePlace Foundation, Inc., MiraclePlace Pasco Tampa Initiative, Inc., Metropolitan Ministries Developer, LLC, and Metropolitan Ministries Broadway, LLC (collectively referred to as the Ministries). All significant inter-organizational transactions have been eliminated in the accompanying consolidated financial statements.

Metropolitan Ministries Foundation, Inc. (the Foundation), a Florida nonprofit corporation, was organized in October 2003 by the Ministries for the purpose of creating and managing its endowment gifts and related assets. The Ministries is the sole recipient of the Foundation's income.

MiraclePlace, Inc. (MPI) and MiraclePlace Foundation, Inc. (MPF) are Florida nonprofit corporations formed in October 2012 to accommodate the Ministries' New Markets Tax Credit Chapter 1 funding of new construction. MiraclePlace Pasco Tampa Initiative, Inc. (MPTI) is a Florida nonprofit corporation formed in May 2014 to accommodate the Ministries' New Markets Tax Credit Chapters 2 and 3 funding of new construction. The purpose of these entities is to hold certain assets of and title to property, collect income from that property, and turn over income from that property on behalf of the Ministries, pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Metropolitan Ministries Developer, LLC (MMD) and Metropolitan Ministries Broadway (MMB) are Florida limited liability organizations organized in March of 2018 to accommodate certain tax credit benefits associated with the construction of a 112 unit affordable housing apartment community in Seffner, Florida. The purpose of these entities is to collect fees associated with construction and management of the complex on behalf of the Ministries.

3. Basis of Accounting

These consolidated financial statements, presented on the accrual basis of accounting, have been prepared to focus on the Ministries as a whole and to present net assets, revenues, and expenses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- <u>With Donor Restrictions</u> Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be fulfilled by actions of the Ministries to meet the stipulations, that may become undesignated by the passage of time, or that require net assets to be permanently maintained, thereby restricting the use of principal.
- <u>Without Donor Restrictions</u> Net assets without donor restrictions are net assets not subject to donor-imposed restrictions or the donor-imposed restrictions have expired. These net assets are available for use at the discretion of the Board of Directors and/or management for general operating purposes.

4. Change in Accounting Standard

During fiscal year 2020, the Ministries adopted ASU 2018-13 *Fair Value Measurement – Disclosure Framework, Changes to the Disclosure Requirements for Fair Value Measurement* using the retrospective method. The adoption of these standards did not result in significant changes to the Ministries' accounting policies or impact its financial position, results of operations, or cash flows. As such, prior period financial statements were not restated and there was no cumulative effect adjustment upon adoption.

5. <u>Liquidity</u>

Assets and liabilities are presented in the accompanying statement of financial position according to their nearness of conversion to cash and, their maturity and resulting use of cash, respectively. See note B for more information on liquidity and availability of assets.

6. <u>Revenue Recognition</u>

Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2021

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

All donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions, including unconditional promises to give (pledges), are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. An allowance for uncollectible pledges is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of the fundraising activity.

7. <u>Cash for Long-Term Purposes</u>

Cash restricted for endowments is classified as a noncurrent asset and approximated \$125,000 at June 30, 2021.

8. <u>Pledges Receivable</u>

The fair value of the pledge receivable is estimated by discounting expected net future cash flows. The Ministries recorded a provision for uncollectible amounts of approximately \$6,000 at June 30, 2021 in the accompanying consolidated financial statements.

9. Grants and Other Receivables

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts.

Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the consolidated financial statements. The Ministries expects to collect all balances in full, so there is no provision for uncollectible amounts at June 30, 2021. The Ministries does not charge interest on past due balances.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

10. Land, Buildings, and Equipment

Land, buildings, and equipment are stated at cost. Donated property and equipment are recorded at fair value at the date of donation. Depreciation is calculated over the estimated useful lives of the assets on the straight-line basis. Estimated useful lives for the Ministries' buildings and other furniture, equipment and improvements are 30 years and 5 to 10 years, respectively. The Ministries capitalizes asset acquisitions that exceed \$3,500.

11. Income Taxes

Metropolitan Ministries, Inc., Metropolitan Ministries Foundation, Inc., MiraclePlace, Inc., MiraclePlace Foundation, Inc., and MiraclePlace Pasco Tampa Initiative, Inc. been granted exemptions from federal income tax under Section 501(c)(3) of the Internal Revenue Code and from Florida income tax under Chapter 220 of the Florida Statutes. Accordingly, no provision for income taxes has been included in the accompanying consolidated financial statements. Management is not aware of any activities that would jeopardize the tax-exempt status of the Ministries.

12. <u>In-Kind Contributions</u>

Donated materials and professional services are reflected in the accompanying consolidated financial statements inasmuch as an objective basis is available to measure the value of such materials and professional services. For those donated materials and nonprofessional services for which no objective basis is available to measure the value, no such contributions are reflected in the accompanying consolidated financial statements. In-kind and noncash contributions that have been recorded in the accompanying consolidated financial statements. In-kind and noncash include food, clothing, toys, school supplies and other necessary items.

A substantial number of volunteers have donated significant amounts of their time in the Ministries' program services that are not reflected in the accompanying consolidated financial statements. These volunteer services had an estimated value of approximately \$3,327,000 for the year ended June 30, 2021.

13. Functional Allocation of Expenses

The costs of providing the various programs have been summarized on a functional basis in a separate consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. To the extent relevant, expenses related to operating facilities are allocated on a square footage basis. Support services such as human resources, accounting, and information technology are allocated on a per head count basis.

14. <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates.

15. <u>Advertising Costs</u>

The Ministries' policy is to expense advertising and marketing costs as incurred. Marketing costs were approximately \$728,000 for the year ended June 30, 2021.

16. <u>Comparative Financial Information</u>

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Ministries' consolidated financial statements for the year ended June 30, 2020, from which the comparative totals were derived.

17. <u>Reclassifications</u>

Certain reclassification of the prior year's comparative balances have been made to conform to the current year presentation.

NOTE D - FAIR VALUE MEASUREMENTS

The Fair Value Measurement and Disclosures Topic of the FASB Accounting Standards Codification establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the Fair Value Measurement and Disclosure Topic are described as follows:

Level 1 – Quoted market prices in active markets for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The valuation methodologies used for assets measured at fair value at June 30, 2021 are:

Equity securities: Comprised of common stock valued at the closing price reported in the active market in which the individual securities are traded.

Beneficial interest in assets held by others: Consist of a designated fund with a local community foundation. These assets are measured as reported by the community foundation and are not traded on an active market.

The following table sets forth, by level within the fair value hierarchy, the Ministries' investment assets measured at fair value on a recurring basis at June 30, 2021:

	Le	vel 1	Le	vel 2	Level 3	F	air Value

NOTE I - ENDOWMENT

The Ministries' endowment is comprised of donor-restricted funds designated to function as endowments. Net assets associated with endowment funds are classified and reported based on existence or absence of donor-imposed restrictions.

The Ministries established a designated fund with a local community foundation for the purpose of providing support for the Ministries' mission. This fund is reported as Beneficial Interest in Assets Held by others in the accompanying consolidated statement of financial position.

The Florida Uniform Prudent Management of Institutional Funds Act requires the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary.

The Ministries classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The Ministries considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund, the purposes of the Ministries and the donor-restricted endowment fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and appreciation of investments, other resources of the Ministries, and the investment policies of the Ministries.

The Ministries is developing an investment and spending policy for endowment assets that attempts to preserve the real (inflation adjusted) value of endowment assets, increase the real value of the portfolio, and facilitate a potential distribution to support some level of future operations. Endowment assets include those assets of donor-restricted funds that the Ministries must hold in perpetuity or for a donor-specified period(s).

The terms of the operating policies of the endowment funds (the Fund) will require that the Fund will be managed by the Investment Committee and approved by the board of directors. The Investment Committee will be responsible to oversee the portfolio's investments and monitor the investments on an ongoing basis to ensure that long-term objectives are being met. The Investment Committee will set a target asset allocation for the portfolio's assets and seek advice from professional investment managers which hold the assets. The Fund will invest funds in accordance with the standards set forth in the Ministries' investment policy.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2021

NOTE I - ENDOWMENT - Continued

The Ministries' board of directors, on the recommendation of the Investment Committee, will adopt a spending policy that governs the annual distributions from the endowment fund that may be expended for current operations of the Ministries. This policy will authorize the Ministries to distribute from its endowment fund a specified percentage, to be determined by the board of directors from time to time, of the current market at budget time or fiscal year-end of the endowment fund. The policy will allow the board to base the distribution formula on the average market value over a period of several years as it chooses to do so. For the fiscal year ended June 30, 2021, the Ministries' board of directors did not distribute any endowment funds.

Distributions cannot exceed the accumulated unspent earnings of the endowment without the board's approval. Income earned in excess of the spending rate may be reinvested in endowment principal. This is consistent with the Ministries' objective to maintain the purchasing power of endowment assets as well as to provide additional real growth through investment return.

Changes in the endowment's net assets are as follows for the year ended June 30, 2021:

	Without Dono Restrictions		 ith Donor	 Total
Endowment balance at June 30, 2020 Interest, dividends, realized and unrealized activity Endowment additions - Beneficial Interest Endowment fees	\$	- - -	\$ 639,772 178,058 104,000 (4,882)	\$ 639,772 178,058 104,000 (4,882)
Endowment balance at June 30, 2021	\$	-	\$ 916,948	\$ 916,948

Total endowment balance at June 30, 2021 includes approximately \$792,000 of Beneficial Interest in Funds Held by Others.

NOTE J - NET ASSETS

Net Assets Without Donor Restrictions

Net assets without donor restrictions are net assets not subject to donor-imposed stipulations or the donor-imposed restrictions have expired. These net assets are available for the use at the discretion of the Board of Directors and/or management for general operating purposes. From time to time the board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. The Ministries' Board of Directors has designated approximately \$1,800,000 of without donor restriction net assets for the extended use for COVID-19 relief efforts and \$200,000 for capital maintenance and replacement reserves for the year ended June 30, 2021.

NOTE M - NEW MARKETS TAX CREDIT TRANSACTIONS

The Ministries entered into several debt and receivable transactions during the fiscal years ended June 30, 2013 and 2014, in order to make additional funds available to it through the New Markets Tax Credit (NMTC) Program. As part of these transactions, the Ministries created MiraclePlace Foundation, Inc. (MPF) and MiraclePlace, Inc. (MPI) in 2012 and MiraclePlace Pasco Tampa Initiative, Inc. (MPTI) in 2014, as described in Note A under Principles of Consolidation.

The NMTC Program permits taxpayers to claim a credit against federal income taxes for Qualified Equity Investments (QEI) in designated Community Development Entities (CDEs). These designated CDEs must use substantially all (85%) of the proceeds to make Qualified Low-Income Community Investments (QLICI). The taxpaying investor is provided with a tax credit which is claimed over a seven-year period. The credit is equal to 5% of the total amount paid for the capital investment over the first three years and 6% annually for the final four years.

In connection with making the loans to the Chase and Whitney investment funds, the Ministries entered into put options with Chase Community Equity, LLC, and with Whitney Bank (the Investors). The agreements allow the Investors to put their interest in the Chase and Whitney funds to the Ministries at any time during the four to six months following the seventh anniversary of the effective date. The purchase price of the interests is \$1,000. Also, the Ministries entered into call options that, if the Chase and Whitney investment funds do not exercise their put options, the Ministries may call the Investors' interests, three to six months following the seven-year anniversary of the QEI. The call options may be executed by the Ministries at any time during the 24-month period following the end of the put options period. NOTE N - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Ministries to concentrations of credit risk consist principally of cash deposits at Bank of America. The Ministries' cash and cash equivalents may exceed, on occasion, amounts in excess of the Federal Deposit Insurance Corporation insured amount. The Ministries have not experienced any losses in such accounts.

NOTE O - PAYCHECK PROTECTION PROGRAM

In response to the COVID-19 Pandemic, The U.S. Congress passed the CARES act that allows the U.S. Small Business Administration (SBA) to administer the Paycheck Protection Program to provide loans to qualifying businesses. The Paycheck Protection Program loans have a twoyear maturity at one percent annual interest with a loan forgiveness provision should the business spend the proceeds on qualifying expenses within the covered period following receipt of the loan proceeds. In June 2021, the SBA approved the Ministries PPP loan forgiveness application in full and a gain on forgiveness of debt was recognized for \$2,421,225.

NOTE P - RISKS AND UNCERTAINTIES

In March 2020, the United States and global financial markets experienced significant volatility resulting from uncertainty caused by the world-wide coronavirus pandemic (COVID-19). General economic uncertainties have arisen that may impact future cash flows and changes in net assets as a result of the pandemic. The related financial impact cannot be reasonably estimated at this time.

In order to ensure ongoing availability of Metropolitan Ministries to respond timely to community needs, the Board of Directors earmarked \$1.8 million in reserves for COVID-19 relief for future years as needed.

NOTE Q - SUBSEQUENT EVENTS

The Ministries has evaluated events and transactions occurring subsequent to June 30, 2021 as of November 18, 2021, which is the date the consolidated financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Metropolitan Ministries, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Metropolitan Ministries, Inc. and Affiliates (a nonprofit organization) (collectively the Ministries), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 18, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Ministries' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Ministries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Ministries' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Ministries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Ministries' internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Ministries' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors Metropolitan Ministries, Inc. and Affiliates

Report on Compliance for Each Major Federal Program and State Project

We have audited Metropolitan Ministries, Inc. and Affiliates' (the Ministries) compliance with the types of compliance requirements described in OMB Compliance Supplement and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2021. The Ministries' major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Ministries' major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General*. Those standards, the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the Ministries' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Ministries' compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, the Ministries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Ministries is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Ministries' internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program or state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Ministries' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program or state program or state program or state project will noncompliance with a type of compliance requirement of a federal program or state program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or as combination deficiencies, in internal control over compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charge with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
